

# AODA - Integrated Accessibility Standards Regulation (IASR) Customer Service Policy

## Intent

This policy is intended to meet the requirements of the Customer Service Standards included in the Integrated Accessibility Standards under the *Accessibility for Ontarians with Disabilities Act, 2005*. It applies to the provision of goods and services to the public or other third parties, not to the goods themselves.

All goods and services provided by Howick Mutual Insurance shall follow the principles of dignity, independence, integration and equal opportunity.

## Definitions

Service Animal – an animal is a service animal for a person with a disability if:

1. the animal can be readily identified as one that is being used by the person for reasons relating to the person's disability, as a result of visual indicators such as the vest or harness worn by the animal; or
2. the person provides documentation from one of the following regulated health professionals confirming that the person requires the animal for reasons relating to the disability:

- A member of the College of Audiologists and Speech-Language Pathologists of Ontario;
- A member of the College of Chiropractors of Ontario;
- A member of the College of Nurses of Ontario;
- A member of the College of Occupational Therapists of Ontario;

Service Dog – As reflected in *Health Protection and Promotion Act, Ontario Regulation 562* a dog other than a guide dog for the blind is a service dog if:

- It is readily apparent to an average person that the dog functions as a service dog for a person with a medical disability; or
- The person who requires the dog can provide on request a letter from a physician or nurse confirming that the person requires a service dog.

Support Person – a support person means, in relation to a person with a disability, another person who accompanies him or her in order to help with communication, mobility, personal care, medical needs or access to goods and services.

## **Guidelines**

In accordance with the Customer Service Standards, this policy addresses the following:

- A. [The Provision of Goods and Services to Persons with Disabilities;](#)
- B. [The Use of Assistive Devices](#)
- C. [The Use of Guide Dogs, Service Animals and Service Dogs](#)
- D. [The Use of Support Persons](#)
- E. [Notice of Service Disruptions](#)
- F. [Customer Feedback](#)
- G. [Training](#)

### **A. The Provision of Goods and Services to Persons with Disabilities**

Howick Mutual will make every reasonable effort to ensure that its policies, practices and procedures are consistent with the principles of dignity, independence, integration and equal opportunity by:

- Ensuring that all customers receive the same value and quality;
- Allowing customers with disabilities to do things in their own ways, at their own pace when accessing goods and services as long as this does not present a safety risk;
- Using alternative methods when possible to ensure that customers with disabilities have access to the same services, in the same place and in a similar manner;
- Taking into account individual needs when providing goods and services; and
- Communicating in a manner that takes into account the customer's disability.

## **B. The Use of Assistive Devices**

### Customer's Own Assistive Device(s)

Persons with disabilities may use their own assistive devices as required when accessing goods or services provided by Howick Mutual.

In cases where the assistive device presents a safety concern or where accessibility might be an issue, other reasonable measures will be used to ensure the access of goods and services. For example, open flames and oxygen tanks cannot be near one another. Therefore, the accommodation of a customer with an oxygen tank may involve ensuring the customer is in a location that would be considered safe for both the customer and business. Or, where elevators are not present and where an individual requires assistive devices for the purposes of mobility, service will be provided in a location that meets the needs of the customer.

## **C. Guide Dogs, Service Animals and Service Dogs**

A customer with a disability that is accompanied by guide dog, service animal or service dog will be allowed access to premises that are open to the public unless otherwise excluded by law. "No pet" policies do not apply to guide dogs, service animals and/or service dogs.

### Food Service Areas

A customer with a disability that is accompanied by guide dog or service dog will be allowed access to food service areas that are open to the public unless otherwise excluded by law.

Other types of service animals are not permitted into food service areas due to the *Health Protection and Promotion Act, Ontario Regulation 562 Section 60*.

### Exclusion Guidelines

If a guide dog, service animal or service dog is excluded by law (see applicable laws below) Howick Mutual will offer alternative methods to enable the person with a disability to access goods and services, when possible (for example, securing the animal in a safe location and offering the guidance of an employee).

### Applicable Laws

*Food Safety and Quality Act 2001, Ontario Regulation 31/05*: Animals not intended for slaughter or to be euthanized are not allowed in any area or room of a meat plant. It also makes an exception for service dogs to allow them in those areas of a meat plant where food is served, sold or offered for sale to customers and in those areas that do not contain animals or animal parts and are not used for the receiving, processing, packaging, labelling, shipping, handling or storing of animals or parts of animals.

The *Health Protection and Promotion Act, Ontario Regulation 562 Section 60*, normally does not allow animals in places where food is manufactured, prepared, processed, handled, served, displayed, stored, sold or offered for sale. It does allow guide dogs and service dogs to go into places where food is served, sold or offered for sale. However, other types of service animals are not included in this exception.

*Dog Owners' Liability Act, Ontario*: If there is a conflict between a provision of this Act or of a regulation under this or any other Act relating to banned breeds (such as pit bulls) and a provision of a by-law passed by a municipality relating to these breeds, the provision that is more restrictive in relation to controls or bans on these breeds prevails.

### Recognizing a Guide Dog, Service Dog and/or Service Animal:

If it is not readily apparent that the animal is being used by the customer for reasons relating to his or her disability, Howick Mutual may request verification from the customer.

### Care and Control of the Animal:

The customer who is accompanied by a guide dog, service dog and/or service animal is responsible for maintaining care and control of the animal at all time.

### Allergies

If a health and safety concern presents itself for example in the form of a severe allergy to the animal, Howick Mutual will make all reasonable efforts to meet the needs of all individuals.

## **D. The Use of Support Persons**

If a customer with a disability is accompanied by a support person, Howick Mutual will ensure that both persons are allowed to enter the premises together and that the customer is not prevented from having access to the support person.

There may be times where seating and availability prevent the customer and support person from sitting beside each other. In these situations Howick Mutual will make every reasonable attempt to resolve the issue.

In situations where confidential information might be discussed, consent will be obtained from the customer, prior to any conversation where confidential information might be discussed.

## **E. Notice of Disruptions in Service**

Service disruptions may occur due to reasons that may or may not be within the control or knowledge of Howick Mutual. In the event of any temporary disruptions to facilities or services that customers with disabilities rely on to access or use Howick Mutual's goods or services, reasonable efforts will be made to provide advance notice. In some circumstances such as in the situation of unplanned temporary disruptions, advance notice may not be possible.

Notifications will include:

In the event that a notification needs to be posted the following information will be included unless it is not readily available or known:

- Goods or services that are disrupted or unavailable;
- Reason for the disruption;
- Anticipated duration; and
- A description of alternative services or options.

### Notification Options

- posting notices in conspicuous places including at the point of disruption, at the main entrance and the nearest accessible entrance to the service disruption and/or on the Howick Mutual website;

Information about the feedback process will be readily available to all customers and notice of the process will be made available by contacting the company in person or by telephone, via email or through our website.
